Press Release

Tellone Management Group, Inc. Selected as One of The Most Dependable™ Wealth Managers of Southern California

Anaheim, CA, July 14, 2008: Tellone Management Group, Inc. has been selected by Goldline Research as one of The Most Dependable™ Wealth Managers of Southern California for 2008. The list of the Most Dependable™ Wealth Managers of Southern California is scheduled to be published in the July 21st issue of Forbes Magazine.

The President of Tellone Management Group, Inc., Dean Tellone, expressed his sincerest acceptance of this award, stating "Our goal has always been to provide the best possible service to our clients and to establish a loyal relationship that they can trust. This recognition certainly validates our efforts to become one of the most dependable wealth management firms."

"Tellone Management Group, Inc. truly distinguished itself during our evaluation of the industry," said Allen Scott, Research Director, Goldline Research. "The firm met or exceeded every expectation we have for holistic, client-centric firms." Over 780 Wealth Managers were evaluated during the selection process and the response was overwhelming.

Tellone Management Group, Inc. was able to differentiate itself in a candidate pool with an average client to advisor ratio of one advisor for every fifty clients and an average of 33 years of experience. Mr. Scott further elaborated, stating that Tellone Management Group, Inc. stood apart from the other candidates that were evaluated because of the strength of their client references.

Tellone wealth managers offer comprehensive financial, tax and estate planning specializing in active investment management for individuals, trusts, IRAs and pensions.

Goldline Research is a third-party, independent research firm specializing in evaluating professional services firms. Goldline Research undertakes an extensive, in-depth research process to review all qualified companies in a respective area. Its proprietary research process includes individual company interviews and quantitative analysis of key company data, as well as customer reference checks to confirm high levels of customer service. Those companies that ultimately earn Goldline Research's Most Dependable™ designation demonstrate a commitment to service unparalleled in their industry.
